

Welcome to ICF Singapore

This is looking to be a vibrant year for the Coaching Profession in Asia Pacific.

My VISION for ICF this year is that all our members will achieve a Full Practice, whatever that means to you.

Whether you are an Executive Coach, Business Coach, Life Coach, or a Manager in an Organisation, my intent is that you use your coaching skills to the full to benefit your clients or your organization.

Coaching is an emerging profession. It is likely that you will have many questions on this topic. I trust this site will be useful and helpful to you.

In the event you cannot find answers to your questions, please feel free to call or email me as follows:

Telephone: +(65) 6329 9784

email: trainingdirector@asiacoachinstitute.com

I would also like to introduce you to your chapter committee, whose details are on the Committee page. Should you require assistance in specific areas, the team is always willing to assist.

Yours

Tony Latimer, MCC

President, ICF Singapore
